# Sona Petroleum's cornerstone investors

**KUALA LUMPUR:** In our report “Sona Petroleum targets asset buys”, it was wrongly stated that RHB Investment Bank, CIMB Investment Bank and Kenanga Investment Bank were cornerstone investors of Sona. In fact, among cornerstone investors of Sona are the fund management arms of the banks backing the listing, namely RHB Investment Management Sdn Bhd, CIMB-Principal Asset Management Bhd and Kenanga Investors Bhd. The error is regretted.
